

Kidz Love Soccer

Since 1979, Kidz Love Soccer has been dedicated to teaching children the world's most popular sport within a nurturing, recreational environment. A typical session experience includes age appropriate activities: skill demonstrations, fun games, and instructional scrimmages. Young soccer enthusiasts experience soccer fun in a safe, non-competitive environment. Kidz Love Soccer... 'Where the score is always FUN to FUN!' KLS class status hotline 888-372-5803.

Fencing Intermediate

This intermediate-level class is intended for children 8-13 who have completed the beginning program, or who have been recommended by a coach. This program is designed to prepare young fencers for the demands of competition through a series of tactical exercises, organized bouting, and short lessons to promote technical proficiency and physical development. More emphasis will be placed on each athlete fencing a particular weapon, as opposed to the a la carte approach of the youth program. The skills necessary to complete this program are more specific and detailed than those in the previous program, thus class completion, typically, takes approximately a year.

Team Assignments (Grades 1-6)

Teams are assigned by The Parks & Recreation Department. Teams in this league will be assigned according to each child's grade level, and the school they attend. We try to keep all children at their home school but there is always the possibility that they may play for a neighboring school if there are not enough, or too many kids registered from their home school for one team.

If there are enough kids from your child's grade and school to form more than one team, we will split the players up into teams randomly. However, players may request to be on a team with one "buddy," if they follow these guidelines:

1. You and your buddy must be in the same grade (boys), or same division (girls)
2. Your buddy must also select you as a buddy.

If more than one buddy is selected, or if buddies do not match, the selection is invalid.

Note: Volunteer coaches who would like to coach together must buddy their children together using this system or there will be no guarantee that they will coach together or that their children will be on the same team. Please do not bring in more than one buddy or a stack of registration forms asking us to put them all on one team. We cannot do this!

Team Assignments (Grades 7-8)

Teams are assigned by The Parks & Recreation Department. We will try to assign teams according to the school each player attends. If more than one team from a school then there will be a draft. There are no "buddy requests," but we will keep same gender siblings together upon request.

Volunteer Coaches Needed!

To keep this program running we must find great coaches willing to volunteer their time for kids. The Parks and Recreation Department is now recruiting volunteer coaches and will be recruiting until we fill all coaching positions. If you are interested in coaching or assisting with this year's youth basketball program, please call 425-556-2300 ext 3 or visit www.teamsideline.com/redmondsports to obtain a coaches application.

Applications may be turned in at the Old Redmond Schoolhouse Community Center, 16600 NE 80th St, Redmond. They can also be faxed to the recreation office at 425-556-2363 or sent to Jeff Hagen, League Coordinator at jhagen@redmond.gov.

Basketball Officials Needed!

The Redmond Parks and Recreation Department is hiring officials for the Youth Basketball League. (The pay ranges from \$9 - \$12 per hour) We will have a training clinic that will be mandatory for all officials. Applicants must attend all training sessions in order to be considered for hire. Please call 425-556-2300 ext. 3 for more details, or you may obtain an application under the employment section of our website, www.redmond.gov.

Season Timeline

Practices will begin the week of November 14, 2011. Assigned Coaches will call team members after the coaches meeting. Coaches will inform you of your scheduled practice time and location once they receive team rosters and practice schedules. Teams will be assigned a one-hour practice once (possibly twice) per week. Games will be scheduled for Saturdays beginning December 3, 2011. The season will run approximately through February 18th or February 25th, 2012 (final dates will be on the game schedule). There will be no games on December 24th or December 31st.
